

**Ambulance Wish
South Australia**
Program of Palliative Care SA

Corporate Partner

The volume of wishes fulfilled is dependent on support from corporate partners.

Wishes provided by the Ambulance Wish SA program have a far-reaching impact, not only creating memories that last forever for Wish Recipients, but memories for their families and extended community of care. This has a ripple effect into the wider community, and reflects the global social movement that is Compassionate Communities.

This is your opportunity to be a part of something special and have your brand linked to this fantastic program.

The Ambulance Wish SA program is proud to be associated with our corporate partners who like us believe in fulfilling special wishes and creating memories that last forever for South Australians who are living with a life-limiting condition.

Benefits of partnering with the Ambulance Wish SA program:

-  Social good
-  Branding opportunities
-  Brand association
-  A pipeline of engaging storytelling and content stories
-  Deep digital engagement
-  Team development, volunteering and training
