# Pay a Wish Forward

Wishes are always free for Wish Recipients, however on average each Ambulance Wish costs \$2000 to fulfill

Wishes provided by the Ambulance Wish SA program have a far-reaching impact, not only creating memories that last forever for Wish Recipients, but memories for their families and extended community of care. This has a ripple effect into the wider community, and reflects the global social movement that is Compassionate Communities.

This is your opportunity to be a part of something special and ensure others have their Ambulance Wish fulfilled.

While each Ambulance Wish is different we always ensure each Wish is highly coordinated and risk managed. Safety and quality is the centre piece of each Wish.

This can include paid nurse escorts, professional photographers, and or videographers, specifically skilled volunteers, specialist equipment and vehicle.

You can support us by Paying a Wish Forward for \$2000 (incl GST), as a individual, family, corporate, organisation, fundraising or community group.

#### Benefits you will receive:

-  Your Name (individual, company or in memory of.. name) listed on the AWSA website
-  Name acknowledgement in relevant Wish story social media post
